

## Introduction;

**You do NOT have to print THIS page, but please read it thoroughly.**

Due to the COVID-19 Pandemic and it's fallout we have made the choice to let people pay by card. Cash payments are slowly disappearing from society, and we would love to keep up.

### **What does this mean, for you?**

This mean that you will receive your money via bank transfer when you come and pick up your items / money. This is a safe and secure process. There is some cash available.

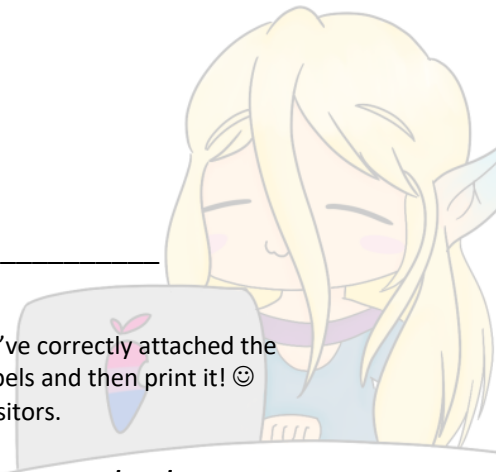

To 'ease' the pain a little we have also extended what you can bring to our stand. We hope you find this list helpful.

- **Anime**, this includes BluRays, DVD's, Figurines, Collectables, Posters, Merchandise, etc.
- **Manga**
- **Games and consoles**
- **Soundtrack CD's**; AS LONG as they have something to do with anime, games, movies or other geeky stuff.
- **Vinyl's**; AS LONG as they have something to do with anime, games, movies or other geeky stuff.
- **Posters**; AS LONG as they have something to do with anime, games, movies or other geeky stuff.
- **Cosplays**; Both bought and handmade, this includes wigs, props, shoes and costumes. Lenses ONLY if they have never been opened.
- **BluRay's & DVD's**; TV series and movies.
- **Books**; Fiction is always allowed, non-fiction if the subject is 'geeky'. So yes to a book on how a movie was made. No to your high school history book.
- **Stationary**; Pens, markers, notebooks, bullet-journals, etc.
- **Bags**; IF they fall under the J-fashion subculture or are from a anime, movie, game or TV series and itai bags.
- **Plushies**;
- **Miniatures**; Re-Ment, cute miniature cooking, etc.
- **Cases**; 3DS, Nintendo Switch. Phone, etc.
